# A FEW THINGS TO KNOW:

## Sign up For Worship!

So that we can socially distance, we are starting worship with 30 spots at each service. You can sign up by contacting the church or by signing up online.

## Remember A Mask

We ask that you wear a mask while we gather inside as in accordance with the CDC recommendations.

## Expect Things To Be Different

We will begin to offer communion on the 3rd weekend in May. We will have communion available to take part from your pew. The worship service itself will be a bit shorter than normal and we are waiting to begin congregational singing until things have improved. As we learn more and things improve, we will adjust our plan.
